Ken:

Are you in this Friday to talk about Solutia? Or, one day early next week? I can work around a day/time that's best for you.

I have another RCRA inspection in that area (East St. Louis) and was planning on traveling the week of March 17.

I've read some about the site from the EPA website. You've done excellent work over there!

Talk soon,
Michael

Subject: Post-CA 550 Inpsection at Solutia

Hi Ken,

The site that you nominated, Solutia, Sauget, IL, has been accepted by the RCRA Branch for a FY14 Post-550 on-site inspection. The inspection has been assigned to Mike Valentino. Could you please reach out to Mike and provide him with all of the appropriate site information, specifically any post-550 requirements, that he will need for the inspection?

Please let Jose, Tammy and me know when the inspection has been scheduled. If you have any questions, please feel free to stop by and talk to Tammy or me.

Thanks much.

Laura
